**TOTAL**

**\$115,823,129.50**

**NOTE:**

*“Due to the recession and very tight budgets, UG employees have not had pay raises since 2008. 2012 will be the 4th consecutive year of no raises. Also, in 2010, all non public safety employees were furloughed for 15 days which amounted to a pay cut. The numbers shown are for what the salary would have been without furloughs.”*

– Mike Taylor, Public Relations Director, Unified Government of WyCo/KCK
